

# ANESTESIOLOGIA

Unichristus

# E INTERNATO

Rayh Freitas Ferreira  
Arnaldo Peixoto

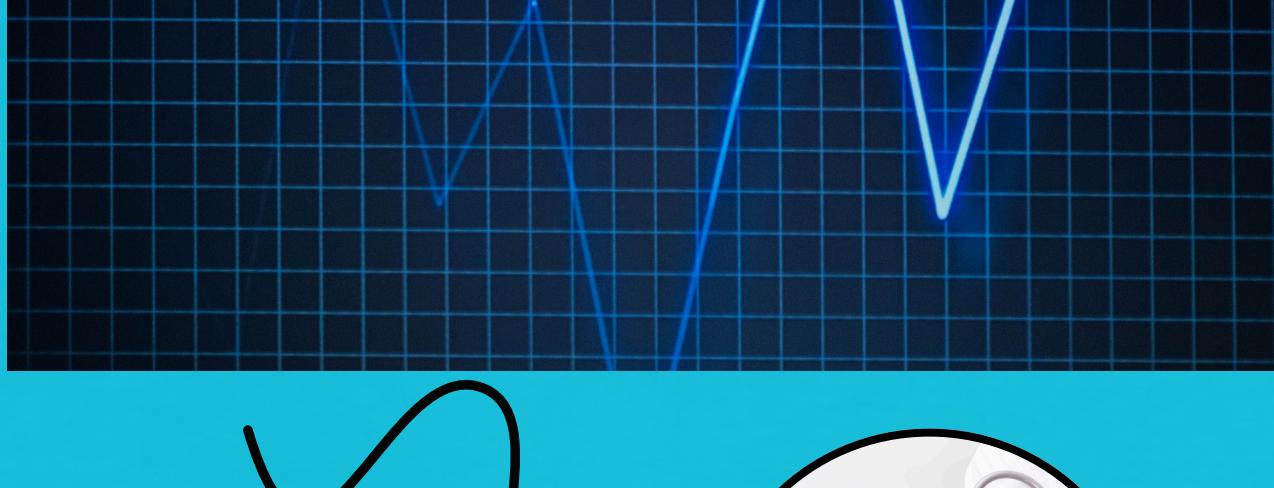

## Experiência Prática

Vivência no internato de até 4 semanas muda percepção sobre anestesiologia

## Ensino

Para habilidades técnicas (intubação) e não técnicas (comunicação). Aulas teóricas e práticas

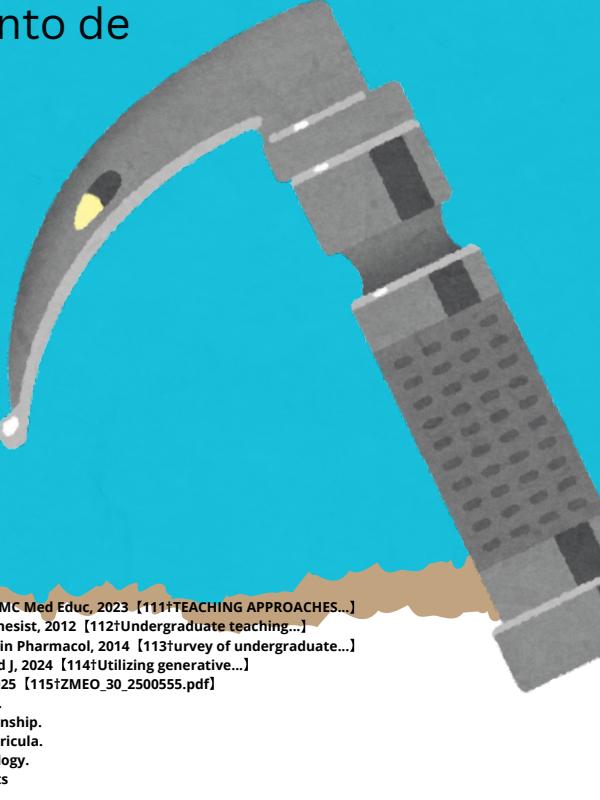

## Carreira Médica

Incluir programas obrigatórios de anestesiologia nos anos pré-clínicos

## Vida Real

Ter mais segurança no manejo de drogas, via aérea e tratamento de dor aguda.
