in the pink

in good health or
good condition

After several days in the hospital, Paul wanted to go home. He told the doctor he was feeling in the pink and there was no reason for him to stay any longer.

tickled
pink

thoroughly pleased;
very happy

My niece got her first job today. She's so pleased with herself. She's tickled pink.

pink slip

notice that one has
been fired from
one's job

Yesterday the company fired a dozen people. They all got pink slips in their pay packets.
